Androscoggin County Sheriff's Office
 2 Turner Street
 Auburn, Me 04210

Dear Sheriff's Department,

Our company is continuing work on an equalization (revaluation) program for the Town of Livermore Falls, Maine. The program is ongoing from now through 2025. One of our responsibilities is to go to each property in Livermore Falls. When we are at a property we ask to perform an exterior inspection of the buildings. We generally take one or more digital pictures at the property.

Our policy is to notify the County Sheriff's Department. We are also notifying the Maine State Police. We want everyone to know about our presence in Livermore Falls and our reason for being there.

Each employee will have an identification badge, an identification letter on Town letterhead, or both. We will leave a door hanger notifying property owners who are not home that we have visited their property. The door hanger will have the Town Office's phone number for those who have questions.

The table below lists each employee, their vehicle registration, and a description of their vehicle. If there is anything else you would like us to provide, or anyone else you suggest we contact, please call me at the phone number above or by email: john@jeodonnell.com.
