 Norway, ME 04268

Dear Norway Police Department,

Our company is beginning work on a revaluation program for the Town of Norway, Maine. The program is ongoing from now through September 2026.

One of our responsibilities is to go to each property in Norway. When we are at a property we ask to perform an exterior inspection of the buildings. If no one is home or does not answer the door we leave a card in the door and conduct the exterior inspection. We often take measurements. We will only go inside homes if the property owner requests an interior inspection. We generally take one or more digital pictures of the exterior of structures at the property.

We are notifying the County Sheriff's Department. We will also notify the Maine State Police. We want everyone to know about our presence in Norway and our reason for being there.

Each employee will have an identification badge, an identification letter on Town letterhead, or both. We will leave a door hanger notifying property owners who are not home that we have visited their property. The door hanger will have the Town Office's phone number for those who have questions.

The table below lists each employee, their vehicle registration, and a description of their vehicle. If there is anything else you would like us to provide, or anyone else you suggest we contact, please call me at the phone number above or by email: john@jeodonnell.com.
